

## For First Time American Academy of Optometry Annual Meeting Attendees

- Attire for this meeting is dress casual
- Attend all Lectures and Scientific Program at no extra charge. **All are first come, first served.**
- Paper Sessions consist of 15 minute presentations on the latest advances in science
- Lectures & Workshops consist of 1 to 3 hour presentations on clinically relevant topics
- Pick up a green sheet at the registration area for a list of all activities by time

An attendee can earn the following numbers of CE credits per day by attending Academy education all day long:

Wednesday, October 12	11 hours of CE	Friday, October 14	7 hours of CE
Thursday, October 13	8 hours of CE	Saturday, October 15	8 hours of CE

### CE Tracking

You should have received a sheet of barcode labels in your registration packet. Each barcode is the same and represents your badge number. You will be handed pre-populated evaluation forms for each course. Please place your barcode label on the form. At the conclusion of the course, please exchange the evaluation form for a verification stub for your records.

For papers and posters (variable credit): You will receive a blank evaluation form with spaces where the monitors will enter the times in and out, as well as your verification form where you can keep track of your own times. If you are planning to re-enter (as is common especially with papers), please keep the form and turn it in once you are finished in that particular session. Each entry and exit will receive a time stamp. Please note: Your total time will be calculated based on entry and exit times. You must stay in the session for a minimum of 60 minutes cumulative to start the clock for the paper or poster session. Credit for less than one hour will not be given.

A link to the CE Certificates will be emailed to you after the meeting.

Handouts are available digitally at <http://www.aaopt.org/meetings/academy2011/handouts/>. We encourage you to be mindful about printing them out – let's be green conscious! A CD with handouts is also included in your registration bag, however the handouts on the Academy's website will be the most up-to-date.

### Continuing Education with Examination (CEE, formerly known as TQ)

CEE courses will be presented all four days. Exams and Scantron sheets from the Southern California College of Optometry will be available at the Education Desk on the 3<sup>rd</sup> level, and at the rear of the rooms with CEE courses.

### Lectures Offered as CEE

Wednesday, November 17

#### Wednesday, October 12, 2011

8:00 AM Neuro-Ophthalmic Manifestations of Stroke 31807-NO, Kelly Malloy, OD, FAAO, Diplomate, Neuro-ophthalmic Disease

10:00 AM The Medical Work-up of the Red Eye 31794-AS, Thomas Freddo, OD, FAAO, PhD

#### Registration Hours

Tuesday, October 11: 1:00 – 8:00 pm  
Wednesday, October 12: 6:30 am – 8:00 pm  
Thursday, October 13: 6:30 am – 6:00 pm  
Friday, October 14: 6:30 am – 6:00 pm  
Saturday, October 15: 6:30 am – 12:00 pm

#### Exhibit Hall Information

Wednesday, October 12: 5:00–7:30 pm  
Welcome Reception 5:30-7:00 pm  
Thursday, October 12: 11:30 am–3:30 pm  
Friday, October 13: 11:30 am–2:30 pm

#### American Optometric Foundation

Don't miss this year's American Optometric Foundation Silent Auction! The Foundation offers a wide array of donated items this year including but not limited to handcrafted original art pieces, Carl Zeiss Vision Gunnar glasses and Apple iPads. We are very excited about this year's upcoming auction and we hope that you are, too! As you know, the silent auction provides an opportunity to bid on fantastic, one-of-a-kind items and an easy way to contribute to the mission of the Foundation in support of the future of optometric education and research. Visit the AOF exhibit booth, #919, bid early and bid often.

#### Interested in becoming a Fellow or a Diplomate?

Thursday, October 13, 3:30 – 5:00 PM, join us at two events to find out more about the Fellowship and Diplomate processes. To register, please contact Helen Viksnins at [Helenv@aaoptom.org](mailto:Helenv@aaoptom.org).

#### Future Meetings

*Today's Research, Tomorrow's Practice®*

October 24-27, 2012	Phoenix, AZ
October 23-26, 2013	Seattle, WA
November 12-15, 2014	Denver, CO
October 7-10, 2015	New Orleans, LA

We look forward to meeting you in Boston!
