Q: Where are you located?
A: Philadelphia, Pennsylvania, United States

Q: What year did you earn your Fellowship?
A: 2017

Q: What year did you earn your doctorate?
A: 2015

Q: What inspired you to pursue optometry as a career?
A: I wanted to improve the quality of people’s lives by helping them attain the best vision possible, as it is such an integral part of living.

Q: What is your most rewarding patient or professional experience?
A: Every time I’m able to witness a student experiencing an ‘ah-ha’ moment during patient care and genuinely being eager to see and learn more.

Q: How did you become involved with the Academy?
A: It aligns with my background in academia since graduation.

Q: What has your involvement meant to your career?
A: Being involved in the Academy, as well as academia, means I am practicing at the most current/up-to-date-caliber of optometric care.

Q: What is the best part of being an OD?
A: I have the opportunity daily to improve people’s lives.

Q: Tell us a fun fact about you or an interesting hobby you have?
A: I recently made my own hot sauce and found out the hard way taste testing it is the toughest part.
