Q: Where are you located?
A: Warri, Nigeria

Q: What year did you earn your Fellowship?
A: 2004

Q: Where did you earn your doctorate?
A: University of Benin, Nigeria

Q: What inspired you to pursue optometry as a career?
A: The passion and compassion to help people see better and achieve their fullest potential.

Q: What is your most rewarding patient or professional experience?
A: A toddler who insisted she wants to become an optometrist after her compressive eye exams. And then an MD patient of mine who wanted to do her residency in optometry because of my care.

Q: How did you become involved with the Academy?
A: Dr. Ngozi Musa, a Fellow from Nigeria, knew my love for professional excellence and introduced me to the Academy.

Q: What has your involvement meant to your career?
A: A great leap and growth in my professional career. It has improved my clinical skills, diagnosis, and assisted in my decision-making in patient care. It has greatly impacted my ability to mentor others from the rich knowledge I acquire from the Academy.

Q: What is the best part of being an OD?
A: It’s a fun loving profession that brings job satisfaction with minimal stress, offering a good pay while giving the best of God’s gift (sight) to billions of people all over the world. It affords me incredibly good networking skills and to not forget I get to meet people from all spheres of life.

Q: Tell us a fun fact about you or an interesting hobby you have?
A: Traveling, swimming, and volunteering. I love Jesus as my Lord and Savior.
